About the project

Skyline Lakeshore Residences is a new-launch, 6.5-acre development in Kokapet, Hyderabad's high-growth western corridor. Three 38-storey towers face the Neknampur lake with 2.5, 3 and 3.5 BHK homes, each with a large utility, pooja niche and a lake-view balcony.

The 50,000 sq ft clubhouse offers a temperature-controlled pool, badminton and squash courts, co-working pods and a sky deck. With the Outer Ring Road one kilometre away and the Financial District, Gachibowli and HITEC City within 15 minutes, it is a smart choice for end-users and long-term investors alike.
